Thank you for your interest in the Overman Family Scholarship Fund.

The Boys & Girls Club of Duluth created the Overman Endowment Fund in 1978. The purpose of this endowment fund is to provide financial assistance to Club Members who have a desire to further their education beyond high school. Scholarships will be offered for vocational or technical training, college or university programs.

Application Procedure: Each Applicant must:

1. Complete and submit an application including a personal essay to the Chief Professional Officer of the Boys & Girls Clubs of the Northland by **April 15th**.
2. Submit a minimum of three (3) letters of recommendation; one personal and two from faculty and/or Club staff.
3. As a minimum, show proof of the completion of the FASFA form. Before any money is awarded, a copy of the FASFA award letter must be submitted.
4. Submit a copy of the student's current high school transcript.
5. Participate in a personal interview with the selection committee of the Board of Trustees. Interviews will be scheduled with each student individually and will be held approximately mid-May. Failure to appear for the interview will disqualify the applicant for the scholarship.

All recipients will be required to submit a transcript report twice a year to the Chief Professional Officer of the Boys & Girls Clubs of the Northland. These reports must be received by January and July respectively. The reports must include the student's semester or final grades at the time.
